

*George Winston*

SOLO PIANO CONCERT

— ♦ —  
THE WINTER SHOW

## BIOGRAPHY

George Winston grew up mainly in Montana, and also spent his later formative years in Mississippi and Florida. During this time, his favorite music was instrumental rock and instrumental R&B, including Floyd Cramer, the Ventures, Booker T & The MG's, Jimmy Smith, and many more. Inspired by R&B, jazz, Blues and rock (especially the Doors), George began playing organ in 1967. In 1971 he switched to the acoustic piano after hearing recordings from the 1920s and the 1930s by the legendary stride pianists Thomas "Fats" Waller and the late Teddy Wilson. In addition to working on stride piano, he also at this time came up with his own style of melodic instrumental music on solo piano, called folk piano.

Since 1972, George has released thirteen solo piano albums. His most recent albums are GULF COAST BLUES & IMPRESSIONS 2-A LOUISIANA WETLANDS BENEFIT (2012) and LOVE WILL COME-THE MUSIC OF VINCE GUARALDI VOL 2 (2010). His next solo piano album, SPRING CAROUSEL- A CANCER RESEARCH BENEFIT, will be released in 2015.

He also recorded the soundtracks for three video projects produced by the late George Levenson of Informed Democracy ([www.informeddemocracy.com](http://www.informeddemocracy.com)): a solo guitar soundtrack for SADAKO AND THE THOUSAND PAPER CRANES, as well as piano, guitar, and harmonica solos for PUMPKIN CIRCLE and BREAD COMES TO LIFE. In addition, he recorded the solo piano soundtrack for the Rabbit Ears video of the children's story, THE VELVETEEN RABBIT ([www.rabbitears.com](http://www.rabbitears.com)), and the soundtrack for the Peanuts episode, THIS IS AMERICA CHARLIE BROWN: THE BIRTH OF THE CONSTITUTION.

George is presently concentrating mainly on live performances, and most of the time he is touring, playing solo piano concerts, (the *Summer Show* or the *Winter Show*), solo guitar concerts, solo harmonica concerts, and solo piano dances (with R&B and slow dance songs).

He is currently most inspired by the great New Orleans R&B pianists Henry Butler, James Booker, Professor Longhair, Dr. John, and Jon Cleary; and he is also working on interpreting pieces on solo piano by his favorite composers, including Vince Guaraldi, Professor Longhair, and the Doors, as well as Dr. John, Allen Toussaint, Ralph Towner, Sam Cooke, Randy Newman, Al Kooper, Jimmy Wisner, Arthur Lee, Frank Zappa, Rahsaan Roland Kirk, John Coltrane, Milt Jackson, Cal Tjader, John Hartford, Oliver Schroer, Taj Mahal, Henry Butler, James Booker, Jon Cleary, Philip Aaberg and others, to play at concerts, and at his solo piano dances.

George is also working on solo guitar, and is recording the masters of the Hawaiian Slack Key guitar for an extensive series of albums for Dancing Cat Records ([www.dancingcat.com](http://www.dancingcat.com)). Slack Key is the name for the beautiful solo fingerstyle guitar tradition, unique to Hawaii, which began in the early 1800s and predated the steel guitar by over half a century.

He is also recording his main inspirations for his harmonica playing - Sam Hinton, Rick Epping, and Curt Bouterse.
